

WINERY | VINEYARD | FARM

Flavor Profile

Our first ever Barrel Select Pinot Noir begins with sophisticated floral fragrances of violets and blackberries, underpinned by subtle power and savory bacon-like aromas. On the palate this elegant wine reveals a veiled depth of intense bramble-like fruit, earthiness and subtle chalky tannins that run right through the mouth. The wine finishes with an echo of that toasty crisp bacon fat, and with a clarity of fruit and good persistent flavor.

Winemaker Notes

2015 was arguably the best vintage for Pinot Noir we have experienced yet at Mt. Beautiful, and also the first vintage in our brand new winery facility, purpose built for hand tended varietals. Good flowering led to even bunches and well-balanced vines. Although the summer season was warmer than normal, cooling easterly winds helped to slow ripening.

The two different blocks that make up our Barrel Select Pinot Noir were fermented separately, each comprising of multi clonal blends. This helps add complexity and blend the flavors. Seven days of cold soaking were followed by a fast fermentation, with gentle plunging twice a day. The grapes were pressed after two weeks' of post-fermentation maceration to achieve a fine integration of tannins.

Comprised of only free run juice, the two batches were then aged separately for 11 months in 10 French oak barrels; 45% of which were new, each toasted at varying levels to achieve a specific aroma and taste profile. The wine then underwent malolactic fermentation in barrel, and was racked once before being blended and lightly fined with egg whites. It was then returned to older barrels for an additional seven months prior to a final racking, polishing filtration and then bottling in November 2016.

The Perfect Match

Pair our Mt. Beautiful 10 Barrels Pinot Noir with wild mushroom risotto, spring lamb and a winter's day at the beach.

For The Aficionado

Planted 2004-2019 907 rows, 98,572 vines Yield: 6 T/ha (2.5 T/ac)
9 blocks, 27.7 ha (68.5 ac) Spacing: @2.0 x 1.0 m

The Pinot Noir is planted on the Southern section, which has the highest elevation in the vineyard, providing extra warmth and less exposure to frost. In addition to this our Pinot Noir is closely planted to reduce vigor resulting in lower crop levels, allowing us to ripen these grapes to achieve a true expression of this variety. Our Barrel Select Pinot Noir comes from M Block West and M Block Gully and is all hand tended throughout the season and at harvest.

Our mix of Pinot Noir clones were specifically chosen for their flavor profile with 50% of the vineyard planted in Burgundy clones. Clone BDX 667 fills out the middle palate, while BDX 777 provides a long finish. The rest of the vines are a mixture of seven other clones, including UCD 5, UCD 6, 114 and 115. The aim of these selections is to build sound palate structure in the wine, providing a vibrant ruby wine with ripe fruit, subtle tannins, great length and persistence of flavor.
