Silver Medal Top Value

"Orange-tinted, flavoursome rosé with cherry, raspberry, anise and spice flavours. Weighty wine with good mouth-feel and an impressively lengthy finish. Bone-dry but not austere. Good food wine. 20 NOV 2018"

*Meridith May,
The Tasting Panel*

"The uniqueness of 35% Pinot Gris added to the remaining Pinot Noir adds a light-touch fruitiness, an echo of pear. Aromas of rosemary-kissed raspberry are delicate and fragrant. Slate adds depth to the sweetness of the red fruit, while a hint of sage and salinity give the wine strength – and a nice creaminess – and texture. Lively and rich, both juices were blended together and co-fermented in stainless steel tanks and 15% French oak barrels.

17/20

*Raymond Chan,
Wine Reviews*

"Bright, light copper-orange colour with some depth, paler on the rim. The nose is softly full with densely packed aromas of savoury quince fruit with subtle strawberry notes, hints of yellow stonefruits and soft nutty and mineral elements, unfolding red florals. Dry to taste and fullish bodied, the palate has fulsome flavours of savoury quince and strawberries with stonefruit and floral detail. The mouthfeel is robust and vigorous with some phenolic textures lending presence."
